LIVRAISON GRATUITE SUR LES COMMANDES DE PLUS DE 99 €. CETTE OFFRE EST TOUJOURS VALABLE SUR NOTRE SITE.

1876 SAC LANCEL
Lors de votre visite à la boutique LANCEL du Carrousel du Louvre, vous pourrez choisir sac à main, portefeuille, porte-monnaie, petite maroquinerie, bagage, etc. Vous vous laisserez séduire par les gammes Daligramme, Brigitte Bardot, Premier Flirt Classic, etc.
Lancel est le nom d'une maison de maroquinerie française, fondée à Paris en 1876, par Angèle Lancel. C'est en 1929 que la première boutique ouvrit ses portes, dans le quartier le plus vivant de Paris. Réputée comme maison de luxe, Lancel veut élargir sa clientèle avec des produits abordables à tous. Le sac Lancel s'adapte à l'envie des femmes en restant un gage de cette longévité qui a fait la réputation de la marque. Depuis, la promotion des sacs se fait en associant des noms d'actrices telle que: Isabelle Adjani et Brigitte Bardot. La maison Lancel est aujourd'hui le symbole même d'un luxe naturel, espiègle et audacieux. Créatrice de sacs à main, de bagages et d'accessoires, la Maison Lancel propose une vision d'un luxe réjouissant mais inscrite dans la durée. Le 1er Flirt, l'Adjani, le Brigitte Bardot et récemment la collection Daligramme représentent à merveille la French Légèreté.

VOS AVANTAGES SUR 1876 SAC LANCEL.COM

LIVRAISON GRATUITE

Chez 1876saclancel.com, la livraison est vraiment gratuite tout le temps, quel que soit le mode de livraison retenu (hors Chronopost et DOM TOM) et sans montant minimum de commande. De plus, vous choisissez votre mode de livraison : à domicile ou sur votre lieu de travail, c'est comme vous préférez !

EXPEDITION EXPRESS

Quand vous achetez quelque chose sur Internet, vous n'avez pas envie d'attendre longtemps pour être livré(e). C'est pourquoi chez 1876saclancel.com, lorsque vous commandez avant 14h, nous expédions votre colis dans la journée, du lundi au vendredi. Vous avez la garantie que les articles choisis sont en stock, prêts à vous être envoyés. Si vous passez votre commande le week-end, elle sera expédiée dès le lundi. Toute commande effectuée un jour férié sera préparée et expédiée le jour ouvré suivant.

SATISFAIT OU REMBOURSE

Outre la réglementation de la vente à distance, vous pouvez retourner n'importe quel article dans un délai de 7 jours suivant réception de votre commande pour un remboursement. Si vous souhaitez échanger des articles pour une taille ou une couleur différente ou un autre article, nous vous invitons alors à repasser commande.

Noter que les retours sont gratuits pour la France métropolitaine uniquement.

Pour les retours effectués en dehors de la réglementation de vente à distance, nous vous rembourserons la valeur monétaire des marchandises retournées, au prix auquel vous les aurez achetées.

Veuillez noter que les articles à prix discount ne peuvent être retournés, sauf s'ils sont restitués dans leur emballage d'origine ou sont défectueux.

Dans tous les cas, les articles doivent être retournés dans leur état d'origine, emballage compris. Par exemple, les chaussures doivent être retournées dans leur boîte d'origine. Toutes les marchandises seront inspectées au retour.

Vous êtes responsable des marchandises jusqu'à ce qu'elles atteignent notre entrepôt. Veuillez vous assurer de bien emballer les articles retournés pour éviter que ces derniers ainsi que les boîtes ne soient endommagés. Nous ne sommes pas responsables des articles qui nous sont renvoyés par erreur.

Nous acceptons aussi les commandes annulées, conformément à la réglementation de vente à distance.

Shipping Method and Cost

We usually use the shipping methods by EMS, DHL, the tracking numbers are available after we ship.

Shipping Time

Orders received on Saturdays, Sundays and public holidays, as well as orders received after 1 pm on weekdays, will be processed the next working day. We will do our every effort to make sure you receive the parcel in time, but we are not responsible for shipping delays, which can be affected by the shipping carrier, delivery destination, weather, holidays or incorrect/insufficient delivery information.

NOTES:

1. Usually we will process your order once you finish your payment. But sometimes, we have to verify your order before we process it by sending you an email. Your cooperation will be much appreciated.
2. Please provide us a detailed and correct delivery address so that we can deliver your order successfully. Currently, P.O. Box address will not be accepted. The customer will bear full responsibility of the lost if the parcel was lost on the way because of a wrong delivery address.
3. We're sorry, but we can't change the delivery address of your parcel once your order has been shipped out. If you aren't available when your parcel is delivered, the mail carrier will leave a calling card with instructions on how to pick it up.
4. When placing an order, your billing address must correspond to the address of your credit card otherwise we will not be able to process your order.

Shipping Address

We apologize for the inconvenience, but we cannot ship to P.O. boxes. All parcels will be held for picking up if cannot be signed or delivered. So please provide us with the most up-to-date, accurate and detailed shipping information with your phone number for the shipping. If an item is returned because it was not deliverable due to an incorrect address, customer will have to be responsible for both the shipping and return charges.

Tracking

The shipping of your parcel is traceable online. After your order is shipped out, a confirmation email with the online tracking number and link will be sent to you.

Quality Professional Integrity

The Top Vendors of Replica Watches Online

Here at Replica Watches store, we've been in the business of supplying Rolex Replica Watches for years. Our business has grown steadily, mostly by word of mouth as we have gained more satisfied customers through the years. We learned early on that happy customers spread the word about us and return for more of our products. Our store has become one of the top vendors of replica watches online by offering the longest guarantees in this segment of the industry. We are only able to do that because we have absolute confidence in the quality of each of our products.

If this is your first visit to our site, we invite you to look around and pick out a few favorites. We also invite you to compare our watches with those you can find on other sites, and note the fact that we photograph our products from every angle so that you can see exactly what you are buying. Many other sites take catalog scans of the authentic products and use them to "represent" what they are selling. The problem is that often what you get is not

even close to what you expected.

Understanding the quality materials and professional workmanship that goes into creating precision designer watches is critically important to deliver exceptional replica watches to our customers.
